What's That Sound?

Kissa Kissa's audio setup was engineered by the team at The Music Room (Erie, CO).

Speakers by Harbeth Audio (Lindfield, UK):

- 2 x Compact 7ES-3
- 2 x Super HL5+ XD

Electronic components custom-designed and built by ModWright Industries (Amboy, WA):

- 2x KWA 99 amps
- LS 99 tube preamp
- PH 9.0x tube phono

Kissa Kissa Record Adoption Center

Take that mood to go via our curated selection of new & used jazz albums! We specialize in Japanese pressings, LPs begin at just \$3, and \$1 from every record sold is donated to our nonprofit partner: Jazz Generation/Keyed Up!

Scan to join The It Club and receive a little somethin' for your next visit plus first access to upcoming pop-ups, listening events, cocktail recipes & more!

kissa kissa

jazz vinyl cocktail lounge

Welcome to the only all-vinyl jazz kissa outside of Japan, where the tradition dates back about seventy years.

The soundtrack to your visit flows from a library of 5,000 vintage jazz LPs sourced from around the world.

Join us in honoring the spirit of traditional jazz kissa by keeping conversations to a respectful volume in line with the music.

For larger or louder groups, we're happy to provide alternate seating in our comfy all-season back patio.

We appreciate your help in creating this warm, welcoming, and unique experience for our assembled community of guests.

Thank you for being here with us.
